

PURADIGM® FLOW™ PLUS

The PURADIGM® FLOW™ PLUS is a slightly larger unit with higher output than the FLOW™.

This unit has been designed as an unobtrusive but powerful wall mounted unit.

It runs quietly, "out-of-sight", and away from foot traffic

Applications include:

Storage facilities,
restaurant dining areas,
movie theaters,
daycare/nursery schools, spas,
assisted living, veterinary clinics,
healthcare facilities
